to all whom it may consent; in private and unlimited capacity.  
hereinafter: you, your, or yours.

from the eternal living soul of god existing within the living flesh and blood man of god created by the will of god in the image of god from land of god with dominion of god.  
hereinafter: me, my, myself, or i.

i do not speak your language but i have made an effort to learn so that i can communicate with you and you will understand me.

regarding this fraudulent claim, which no one will express in writing under penalty of perjury as true, correct, complete, and certain, because everyone knows it to be a fraudulent claim.  
there is no one with personal first-hand knowledge this claim is true, correct, complete, and certain.  
there is no sworn statement verifying the veracity of this claim.  
there is no one willing to verify, under penalty of perjury, this claim is true, correct, complete and certain. i can not even get someone to express that in an email!  
there is no actual positive proof of true verified facts of unambiguous evidence that this claim is true, correct, complete, and certain. all the evidence is prima facie.

there is no equally beneficial binding bilateral full disclosure contract with both parties wet-ink signature.  
there is no binding contract at all.

despite there being no sworn statement, no positive proof of true verified facts of unambiguous evidence,  
and no evidence of a binding bilateral full disclosure contract, there are men acting as lawyers making a  
claim, men acting as judges confirming claim, and men acting as peace officers who will enforce claim.  
you are all knowingly, willfully, and intentionally conspiring to deprive me, the eternal living soul of god  
within the living flesh and blood man of nature, life, liberty, and property.

UNITED STATES is a dead legal structure of your jural (legal) society, as is every instrumentality thereof.  
you are all men and woman acting as instrumentalities of UNITED STATES.

this is all fiction of law of your jural society. every corporation and agent thereof is nothing more than  
fiction of law created by rules and regulations of your jural (legal) society.

governments, laws, nations, states, counties, citizens, etc. is all part of your legal society. it is all fictitious  
and nothing more than opinions and beliefs called laws.

i am in your society. you can not force someone to be part of your society. if participation is not voluntary  
then it is slavery.

all of your rules and regulations, which you call law, only apply to persons. they could only ever apply to  
persons because a person is a man's status in society and anyone not in the society is not bound by the rules  
and regulations of the society.

**PERSON.** A man considered according to the rank he holds in society, with all the rights to which the place  
he holds entitles him, and the duties which it imposes. 1 Bouv. Inst. no. 137.

clearly the person in your society have rights, entitlements, and duties in your society.

**SOCIETY.** A society is a number of persons united together by mutual consent, in order to deliberate,  
determine, and act jointly for some common purpose.

clearly membership in a society requires consent.

(you can not possibly deny you are not all part of a jural society and you can not possibly deny that do not  
consent to be part of your society.)

i can not think of any societies that can force people to be members and participate.

we are all equal in nature and you are all working together to make me a slave of your legal society.

none of you have authority over me.

none of you have authority over my affairs.

none of you have authority over my possessions.

none of you have authority over the land you intentionally erroneously fraudulently identify as 3333

LAFFERTY RD. PASADENA TX. 77504

the fact that you are all men and we are all equal, but force me to be a member of your society, without my  
fully informed freely given consent and against my own god given free will, where you are all my master is  
clearly a trespass against me that is evidence of fraud, conspiracy, racketeering, and treason. you are all  
instrumentalities of a foreign corporation and turning me and my land over to your masters.

this is an absolutely fraudulent commercial claim and i challenge every man or woman among you to  
prove me wrong.

i demand this claim be expressed in writing with parties own wet-ink signature and endorsement  
notarized under penalty of perjury as true, correct, complete and certain.

no one will, because no one has person first-hand knowledge this claim is true, correct, complete and  
certain.

the fact you would even consider acting upon a claim that is disputed where the claimant refuses to verify in

writing under penalty of perjury is evidence of fraud and collusion.

you have absolutely no power or authority to sale the actual physical land your knowingly, willfully,  
intentionally fraudulently associating with your fraudulent claim.

as the true eternal living soul of god existing within the true living flesh and blood man of nature, who is in

possession of both the land and the title thereof, i have superior claim to the land and soil above every man, woman, and child on earth, and dead legal structures operating in commercial commerce are inferior to the living beings.

unless you can produce true, correct, complete, equally beneficial binding bilateral full disclosure contract with both parties wet-ink signatures then i have no obligation.

all men are equal.

an equal has no dominion over an equal.

a delegated power can not be delegated.

a power delegated can not be greater than the power it is delegated from.

dead legal structures have no soul to save, but i do.

dead legal structures have no body to incarcerate, but i do.

dead legal structures do not have a mind to meet, but i do.

dead legal structures do not have a mouth to speak, but i do.

dead legal structures do not have hands to sign with, but i do.

dead legal structures can not represent man and dead legal structures can no obligate men.

dead legal structures can not act. dead legal structures are fictions of law and exist in name only.

acts arise from man. man is liable for his acts. actors are liable for their actions. principal is liable for agent.

master is liable for slave.

someone ignored six no trespassing signs and abandoned this paper expressing a fraudulent commercial claim.

one of the not trespassing signs expresses that there is a 5000 dollar fee for trespassing.

BRIAN DOUGLAS ROARK is an Ens Legis.

for the past three years HARRIS COUNTY APPRAISAL DISTRICT has refused to correct erroneous records and update the owner information to reflect a living flesh and blood man of nature as the owner.

:brain-doulgas: of the clan of roark

3333 LAFFERTY RD. PASADENA TX. 77504 is a federal zoning improvement planning area.

i do not use zip codes because i am not in UNITED STATES federal government.

for the past three years HARRIS COUNTY APPRAISAL DISTRICT has refused to correct erroneous records and update the address to reflect land and soil not within federal government.

3333 lafferty road, pasadena texas.

in order for the fraud to take place the owner name must be a legal name, creature of law, and the address must be a legal address, creation of law, and contain a ZIP code.

1871, February 21: Congress Passes an Act to Provide a Government for the District of Columbia, also known as the Act of 1871.

U.S. Code Title 28. JUDICIARY AND JUDICIAL PROCEDURE Part VI. PARTICULAR PROCEEDINGS  
Chapter 176. FEDERAL DEBT COLLECTION PROCEDURE Subchapter A. DEFINITIONS AND GENERAL PROVISIONS Section 3002. Definitions

(15) "[United States](#)" means—

(A) a Federal corporation;

(B) an [agency](#), [department](#), commission, board, or other entity of the [United States](#); or

(C) an instrumentality of the [United States](#).

the federal government is a dead legal structure operating in commercial commerce and can only intercourse with other dead legal structures.

the rules and regulation of the federal government only apply in federal territories, indicated by ZIP codes.

if HARRIS COUNTY APPRAISAL DISTRICT would have corrected the erroneous records and listed the owner and address correctly three years ago when i notified them the information was erroneous this fraudulent claim would have been avoided.

erroneous owner/address information:

BRIAN DOUGLAS ROARK,  
3333 LAFFERTY RD.  
PASADENA TX. 77504

what should have been recorded from the beginning:

:brian-douglas: clan of roark  
c/o 3333 lafferty road  
pasadena, texas.

because of the knowing, willful, intent to commit fraud with legal names and addresses that appear to be regular names and addresses, i removed the mail box and numbers from my land over two years ago.

i land pictured in the image below is not, 3333 LAFFERTY RD. PASADENA TX. 77504

the land and soil displayed in the image above is not in the UNITED STATES, STATE OF TEXAS, HARRIS COUNTY, CITY OF PASADENA, or any other corporation, dead legal structure, military, or society. it is land of god and i am the living soul of god within the living man of god.

a man can not have two masters and my master is the living god in heaven above; the true prime creator, my heavenly father.

i am not part of your legal society, it is an evil society that knowingly, willfully, and intentionally conveys the fruits of labor of 90% of the population to .1% of the population.

the wealth accumulated by bill gate, warren buffet, jeff bezos, and the walton's, is more wealth than more than 90% of UNITED STATES citizens combined.

9 people have more wealth than almost 350,000,000 people combined.

to not observe the suffering that results from this level of imbalance as a trespass against nature is astonishing and a clear indication that in your society wealth is placed above and life. your president, the leader of your corporation, expressed that money trumps peace which literally defined is to say, profit trumps life.

this truism is self-evident in every facet of your society.

<https://youtu.be/jD8LwuSWV-Y>

your corporation, in pursuit of profit, is attempting to, through expressed fraud in fact, steal land from me and totally destroy my life. that is not an act of god, that is an act of satan.

Maxime paci sunt contraria vis et injuria. The greatest enemies to peace are force and wrong. Co. Litt. 1616.

taking money to destroy someone like makes you a sinner and calling it your job or the law does not absolve you of your sin. you are a tool of the devil being used to harm soul of god.

an address and a legal address are not the same, otherwise there would be no need for a distinction.

a name and a legal name are not the same, otherwise there would be no need for distinction.

:brian-douglas: of the clan of roark is not the same as BRIAN DOUGLAS ROARK.

3333 LAFFERTY RD. PASADENA TX. 77504 is not the same as 3333 lafferty road, pasadena, texas.

an address is not the land and soil. a name is not the man.

:brian-douglas: of the clan of roark refers to a living flesh and blood man of nature, but is not the man.

BRIAN DOUGLAS ROARK identifies a legal person in a legal society.

3333 lafferty road, pasadena texas refers to physical land and soil of god, but is not the land.

3333 LAFFERTY RD. PASADENA TX. 77504 identifies a place in the UNITED STATES, jurisdiction as opposed to land.

i am self-aware living soul of god existing within living, breathing, flesh and blood man of nature sojourning earth, the land of god.

i am a creation of god and true fact of nature.
